OFILI CLASS UPDATE

Reception have completed their first two weeks of school, well done! They have been making new friends and learning their new routines. This week they have been learning how to write their name and numbers. They have also been using numicons to help them count.

In Reception, we are lucky to have amazing role play areas in both classrooms linked to our topic 'People who help us' (a charity shop and a hospital). The children are learning to act out the different roles using a range of vocabulary which they enjoy very much. We look forward to an exciting year ahead!

YEAR 6 NEWS

This term year 6 are studying the immigration of the Windrush Generation, where thousands of people moved from the Caribbean to Britain after World War 2 for work and opportunities.

On Wednesday and Thursday this week, both classes went to visit an exhibition at the British Library, focusing on what it would have been like for different people to make the journey. Here we wrote postcards to loved ones expressing what it would have been like if we were people on the great ships and how we might have been feeling.

We will also be performing our class assembly next Wednesday all about the Windrush and what we have been learning, so please come along and watch.

ATTENDANCE

Why is good attendance so important?

We believe that a child's attendance and punctuality is of great importance in maintaining consistent progress and achievement in both curriculum knowledge and understanding, and personal and social skills. Pupils who have good attendance will become successful learners who enjoy learning, make progress and achieve.

Please ensure that your children strive to attain excellent levels of attendance. Excellent levels of attendance means having less than 6 days of absence a year! We have many pupils who manage to achieve 100% levels of attendance - perfect attendance! Pupils with excellent and perfect attendance will get the most out of their education and achieve their full potential.

AFTER SCHOOL CLUBS

All after school clubs will be starting next week. From this term we will be charging for clubs. This is due to rising costs and tightening of our school budget. The charge will be £10 for each club place for the term and this will need to be paid by the **24th September** in order to secure your child's place. Payment instructions will be sent out with confirmation letters.
