MATHS AT HOME CONTINUED.....

Whether your child wants to challenge themselves learning at home, or whether they need a little extra practise, we have the resource for them.

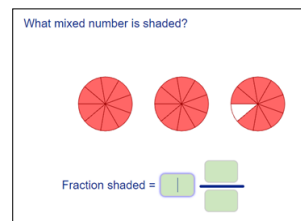

Times Table Rockstars

Every child now is expected to know their multiplication tables up to 12 x 12 by the end of year 4, when they will have a National Multiplication Check. Times Table Rockstars is an exciting platform to practise times tables, whilst gaining rock coins, rock status and building your own rockstar avatar.

Mathletics

Mathletics is built on a foundation of solid curriculum-led content and designed by a team of veteran educators. Mathletics complements and reinforces schoolwork and classroom learning. Children can earn certificates and celebrate their successes weekly.

Purple Mash

Purple Mash is a fantastic resource, which can be used across the curriculum. The maths page is an exciting area where children can practise different areas of maths before playing some fun maths games.

Children's logins have been sent home with your child. If you are missing a login, please ask your child's class teacher

MATHS AT HOME

At LEAP, our young mathematicians are developing a life-long love of all things maths and we endeavour to support that learning outside of the classroom.

GYMNASTICS

Autumn has come to Mandeville and we're not talking about the weather. **Autumn Williams** is our new specialist teacher who will be delivering our gymnastics curriculum every Wednesday. The children are learning a range of gymnastic techniques such as balances, rolls and jumps and they just can't get enough!

"It is fun because you get to learn different gymnastics moves." – **Monet.**

"Gymnastics keeps me fit and healthy." – **Adam.**

"After I have done gymnastics, I feel really flexible." – **Harley**

PARENTPAY EMAIL ADDRESS

We are pleased to inform you Mandeville has a dedicated email for all queries related to ParentPay. For our new parents/carers - ParentPay is the online system which allows you to pay for various school items using your credit/debit card. From **Monday 11th October** all Mandeville parents/carers should email:

ParentPay@mandeville.hackney.sch.uk to request your child's activation letter (only if you have never activated your account), enquire about balances for breakfast club, after school clubs and Nursery fees. We aim to respond to your query within two working days. You should login to your child's account regularly and make payments to avoid getting in debt.

MANDEVILLE CHEFS DESIGN HEALTHY READY MEALS

We are extremely proud of our Mandeville chefs and designers who worked with Chef Tom, to design and create three new healthy ready meals: Jerk Chicken with rice and peas, Meaty Mac 'n' Cheese and Veggie Mac 'n' Cheese. Their design brief was to create something delicious that included at least two portions of your 5 a day. After coming up with their ideas, they tried out a couple of recipes, trialling different combinations and evaluating what worked. Our design team then stepped

MANDEVILLE CHEFS CONTINUED.....

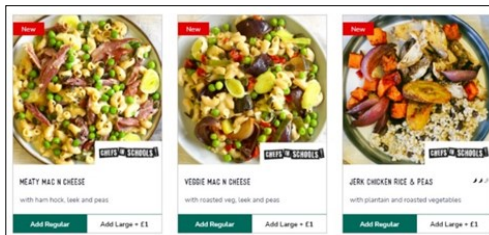

in to design the packaging. The chefs at Tastily were so impressed with their designs that they took the best bits of everyone's designs to create the final packaging.

Last week they finally got to taste their finished product! The best bit is you can try it too! The three ready meals are available to buy from: <https://tastily.co.uk/>

Look for the meals with this logo:

Tastily have also offered us a special 30% discount for every family! Just enter the code: **MANDEVILLE30** at the checkout.

SCHOOL COUNCIL

It is Democracy Week next week which means there will be School Council elections! School council speeches will take place next Wednesday in the middle hall. The elections will take place on Thursday. We very much look forward to introducing our new School Council in next weeks' newsletter.

DR BIKE RETURNS

We're delighted to welcome Dr Bike back to Mandeville. If you would like your child's bike safety checked or small repairs carried out bring it the Key Stage 2 playground on **Thursday 14th October** between 8.30 - 9.00am and leave it in the repair queue.
