GOVERNER TRAINING DAY

This week the combined governing board of the LEAP Federation had a training and planning day together. Governors heard from school leaders about the Empowerment Curriculum, the budget, enrichment, future challenges and opportunities and cooked their own lunches in the School of Food and experienced the diverse LEAP curriculum timeline first hand.

We want to thank all the governors for their ongoing commitment to the schools and hope we will have more development days soon. Many thanks also to the staff who made the day possible.

If leave has not been authorised by the school then your child's absence will be marked as unauthorised. Taking unauthorised leave may lead to you being contacted by the Education Welfare officer.

Children whose attendance drops below 94% will be monitored and a plan put in place to improve attendance unless it is for valid medical reasons. Holidays in term time can result in fines or loss of school place in some circumstances.

JRSO NEWS

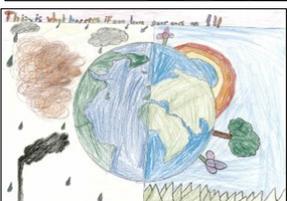

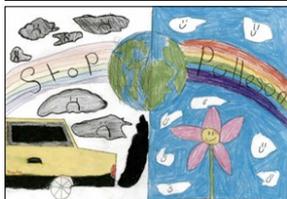

Our Junior Road Safety Officers (JRSOs) and school council members have been monitoring our safe use of roads in the local area and are launching a campaign to stop pollution!

The facts!

- 80% of the pollution we breath in urban areas is caused by traffic.
- Children breathe faster than adults so tend to take in more air relative to their body size.
- Children are shorter than adults so are physically closer to the fumes of vehicles.
- Some 4.5 million children are at risk across 80% of the UK. We want to keep Mandeville children out of those statistics!

How can you help?

- ◆ Encourage your child to walk, scoot or cycle to school
- ◆ Use public transport instead of driving a personal vehicle
- ◆ DO NOT park outside the school gates
- ◆ TURN OFF your engine when you are not using the car

CAKE SALES

Thank you to our PTA community, as well as to the families of our Nursery and Reception children, for their generous contributions to our cake sale. Together, we've raised **£231**, which will be put towards supporting the school with necessary resources. The next cake sale for Years 1,2 and 3 is **Friday 24th May**.

DO YOU HAVE A SPARE....?

Nursery and Reception are on the hunt for Mortars & Pestles. If you have any unwanted ones that you no longer require please could they kindly be donated via the office. Thank you!

JUNIOR LEADERSHIP TEAM NEWS

This term the Junior Leadership Team are hosting a competition. We would like to find out about your school life here at Mandeville. This can be presented in any way, e.g. a letter, a story, a poem, a picture or painting. It's up to you! The closing date for entries is **Wednesday 22nd May 2024**. We can wait to see what you come up with!

Harry – 'I think our competition is a great idea, because all of the students can show their voice in their own way!'

Yasmeen – 'I love being at Mandeville & I'm excited to see how others view their time here too!'

Levi – 'Some of the students have already told me their ideas, I know deciding the winners will be very challenging!'
