

Primary Sports & PE Funding 2023 – 2024 + Impact Review

At Mandeville Primary School, we are strongly committed to PE and recognise the contribution of PE to the health and wellbeing of the children. Additionally, we believe that an innovative, varied and immersive PE curriculum has a positive influence on concentration, attitude and academic achievement. Our commitment to these opportunities is evident in the wide array of sporting activities that we offer both in and out of school. Our Sports Premium Funding will help us to continue to provide this provision and ensure that we have professionals that specialise in the areas on offer.

Purpose of the Funding

Schools are required to spend the sport funding on improving their provision of PE and Sport, but they have the freedom to choose how they do this.

However there are 5 key indicators that schools are expected to see improvements across:

Key indicator 1: Increased confidence, knowledge & skills of all staff in teaching PE & Sport

Key indicator 2: The engagement of all pupils in regular physical activity

Key indicator 3: The profile of PE & Sport is raised across the school as a tool for whole school improvement

Key indicator 4: Broader experience of a range of sports & activities offered to all pupils

Key indicator 5: Increased participation in competitive sport

Objectives for PPSG spend:

- To improve the provision of PE and Games at Mandeville.: [Key indicators 1 & 3](#)
- To broaden the sporting opportunities for pupils at Mandeville. [Key indicators 4 & 1](#)
- To develop a love for sport and competition through participation in competitive sporting events. [Key indicators 5 & 3](#)
- To target and develop children who do not have the opportunity to take part in sporting activities outside of school. [Key indicator 2](#)
- To increase physical activity and encourage a healthy life style. [Key indicators 2 & 3](#)

Impact

The school measured the impact of the sports fund grant spending at the end of 2022-2023 through pupil interviews, evaluations completed by the PE Lead, specialist PE teachers, and analysis of attendance at clubs / activities and percentage increase in attendance at sporting events.

Number of pupils and sports funding rewarded	
Total number of pupils on roll eligible for Sports & PE Funding	189
Total amount received	£17896
Carry forward from 2022-2023	£0
Amount received per pupil	£94.69
Total amount spent	£54744

Expenditure – How Mandeville will use the funding	Cost	Objective	Success Criteria	Impact (July 2024)
Specialist sports teacher working alongside teachers to plan & deliver existing and new initiatives in Mandeville's PE curriculum and extended PE curriculum including further development of sporting events	£1,915	<p>To include more pupils in competitive sports and events</p> <p>To develop CPD for teachers & support staff.</p>	<p>Develop confidence in competitive games</p> <p>High quality PE lessons with staff confident in supporting children</p> <p>To use these games at playtimes and lunchtimes (transferable skills)</p> <p>KI 1, 2, 3, 4 & 5</p>	<p>According to school council feedback, children understand and talk about the significance of representing their school and being part of a team.</p> <p>Support staff and teachers have reported increased confidence in organising games and PE during sports lessons. Additionally, playtimes and lunchtimes are more organised, resulting in better behaviour on the playground, as seen by a decrease in red cards.</p>
Specialist sports coach for gymnastics.	£7812	To improve provision of PE & Games at Mandeville	<p>Employ specialist qualified gymnast to ensure high standards in these areas</p> <p>KI 2 & 4</p>	<p>We are really pleased that this money has ensured that gymnastics is gaining prominence, year after year.</p> <p>Children are becoming more eager to participate in lunchtime sessions, which has enhanced their creativity as well as their physical attributes like balance and flexibility.</p>
Weekly cycle training for Y3, Y4, Y5, Y6	£12060	To offer high quality cycle training	<p>Employ specialist cycling teacher with training delivered to all KS2 pupils</p> <p>KI 2 & 4</p>	<p>Our cycling programme, funded by this grant, has been improving cycling confidence across the year groups. More children and indeed families are gaining confidence in cycling to school, with progression and skills clearly demonstrated through cycling leagues.</p> <p>The school council and the JRSOs (Junior Road Safety Officers) teamed up to create a short video on the importance of cycling and being confident on the roads.</p>

				The JRSOs also held a week long 'Scoot to School' which encouraged members of the community to cycle or scoot to school.
Develop range of PE experiences within and across the LEAP Federation. SLT and sports coaches to lead to work on the development of joint PE initiatives across the federation	£6761	Provide professional development opportunities for our PE coaching team and staff	Children & staff to take part in a range of sports across the school and competitive sports within the LEAP federation KI 3, 4 & 5	We have seen that children are becoming more confident, and there are enhanced opportunities for PE and games throughout the school. This has been particularly important for children who traditionally are less sporty and tend to shy away from team sports. We hosted a LEAP Federation netball tournament for our year 4 and 5 children in late November.
Continue to run variety of successful after school clubs reaching over 300 children	£4846	Provide a range of opportunities for enrichment activities after school	Weekly after school sports provision being accessed by children KI 2 & 3	We have an increasing school roll so with the grant, we are reaching higher and higher numbers of children who are now engaging in after school club provision and suggesting sports for future after school clubs. High quality equipment has been purchased to include x4 basketball nets, x4 table tennis tables and new balls.
After-school football	£2462	Ensure that all sporting teams are representative of the school community	Children participating in regular specialist football training and school teams KI 3, 4 & 5	Our after-school football clubs have been a real success this year. Through actively promoting role models in the sport, we've had more girls attend club. In October 2023, a group of 12 children (mixed gender) attended the Hackney Football competition and came 3 rd . In November, we attended the HSA school 5 – side competition at Queensbridge and came 4 th and in early December, we came 2 nd at the same tournament.
Continue to provide drumming & dance as part of the PE curriculum reaching whole school over the course of the year. Introduce UK dances to range being taught	£8066	To offer high quality dance and drumming that develop progression and skills	Employ specialist dance & drumming teachers providing high quality provision to all children KI 3, 4 & 5	Our dance and drumming curriculum continues to develop under the employment of our specialist dance and drumming teachers. They focus on a different genre every term and we celebrate what they have learnt by organising end of term performances for the families.
Continue to promote sustainable travel to and from school	£ Existing resources	Offering high quality cycle training and	Assemblies and workshop to develop children's	Our bike ability scheme took place in October. It kicks started the promotion of sustainable travel to and from school. Through our annual survey of tracking how families come to school, we found a 22% improvement of families and children walking, scooting or cycling to school. We used part of the grant to purchase a new bicycle rack.

		training JRSOs to promote	knowledge and awareness KI 2	
Develop the role of Sports Ambassadors	£ Existing resources	To develop pupil voice that encourages a love of sports & games.	Children's ideas are valued and knowledge and skills are recognised. PE is being valued across the school with high level engagement and enthusiasm for the subject KI 3	Sports Ambassadors have been empowered to promote PE throughout both Mandeville and the LEAP Federation. PE holds significant importance, with ambassadors collaborating closely with the school council and PE coaches to amplify student voices. We have listened to what our ambassadors have had to say and have now included martial and arts, table-tennis champions and a basketball league.
All children swim weekly in KS2 (Autumn 1 and Full Summer Term)	£2968	Ensure swimming lessons are planned into overall yearly curriculum for KS2	More children making progress towards being able to swim 25 meters at end of Yr 6 KI 2	Children in KS2 have really enjoyed weekly swimming lessons. From a survey, 85% of the year 6 children say they now feel more confident in the water and 96% said they enjoyed the lessons.
Table tennis club	£1659	Offer a range of sports across the school	Regular table tennis games available every day with a systematic rota KI 3, 4 & 5	In early February, we organised an inter federation LEAP Table tennis competition and children performed well because of the after-school table tennis club.
Dance club	£2016	To offer high quality dance and to perform at National Dance competitions	Weekly dance sessions. Regular take up from children. Improved fitness. KI 3, 4 & 5	Our Mandeville team worked incredibly hard all year, both during and after school to become champions in London and subsequently placed 9 th nationally.
Promote sports at lunchtimes through targeted clubs:	£4179	Ensure we are resourced for multiple sports to	Improved opportunities for sports across	Quality playtime and lunch time games on offer for all children

Lunchtime Multi-sports (twice per week) Lunchtime Football (3 times per week)		be taught effectively	school. High quality materials and equipment to support learning in PE & games KI 2, 3, 4 & 5	Specialist sports clubs at lunchtimes such as football, basketball, table tennis and netball have been offered to more than 200 children throughout the year.
Total expenditure	£54744			

Year 6 Swimming Ability

Year 6 pupils take part in swimming lessons at Kings Hall Swimming Pool, Hackney for the Summer term.

The information below is based on the outcomes of the 2023-2024 cohort:

- 67% (34) of the children were able to swim at least 25 meters unaided by the end of the term
- 26 children were able to use a range of these strokes effectively
- 24 children were able to perform safe-self-rescue in different water-based situations.
